

Land Restoration Project – Resident Notification

We are happy to inform you that a Highland Woods Land Restoration Project is scheduled for an area near your unit. This project has been reviewed and approved by the Board of Directors and is consistent with the Burr Oak Remediation Plan. Where possible and appropriate, to cut costs, these land restoration projects are being accomplished with the help of voluntary labor and donations of residents of the Highland Woods community. Please consider joining this project as it will impact the outdoor ambience of your unit.

Board approval received on: _____

Description of Project: _____

New planting proposal: _____

Residents adjacent to project area: _____

Please indicate if you would like to be involved in any of the following: (return to Cathy Kennedy 226 GHR)

- ___ clearing area of invasive species (buckthorn, garlic mustard, honeysuckle)
- ___ placement and planting of new plants according to plan specifications
- ___ watering new plantings adjacent to your unit (\$50 stipend for water usage)
- ___ ongoing maintenance of restored area – weeding, watering when plants are dry, etc.
- ___ contributing money for cost of trees, shrubs or ground cover.
- ___ participating in Land Stewardship meetings to learn more about projects and maintenance of Highland Woods.

It's about neighbors working together to maintain the Woods
